- 110V electricity is available on a limited basis for FOOD vendors only and is provided at no extra charge. You must supply your own grounded extension cord. Contact us for the length you'll need for your space. No generators are allowed. Food booths or large equipment booths may be exempted from this rule...please call first.
- You **MUST** have a Colorado State Tax license and are responsible for collecting and reporting the tax due in Crawford. You may call the State Department of Revenue for more information.
- Each participant is responsible for proper insurance coverage and may need to provide proof upon request.
